

FESTIVAL 150

On 29 June 1869 Bishop Augustus Short laid the foundation stone of St Peter's Cathedral.

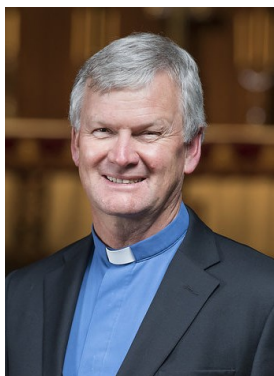

What might those who gathered with him on that day have imagined for the future of this inspired and visionary new beginning?

*One hundred and fifty years later, **Festival 150** is our opportunity to honour them – to celebrate their faith, courage and generosity and to build on their legacy as we continue to imagine the future with imagination, purpose and grace.*

*We look forward to welcoming you to the **Festival 150** programme, which offers a range of celebratory events throughout 2019.*

Do join us.

PRAYER

God of all time:

*Alpha and Omega,
beginning and end.*

We praise and thank you
for what has been,
what is and
what is to be.

In this year of celebration
we give you thanks
for those who have gone before us
in faith, courage and generosity.

Give us
imagination, purpose and grace
to step into the future with you,
our Creator,
Redeemer,
and Life-giver.

Amen
