

# FESTIVAL 150

*On 29 June 1869 Bishop Augustus Short laid the foundation stone of St Peter's Cathedral.*

*What might those who gathered with him on that day have imagined for the future of this inspired and visionary new beginning?*

*One hundred and fifty years later, Festival 150 is our opportunity to honour them – to celebrate their faith, courage and generosity and to build on their legacy as we continue to imagine the future with imagination, purpose and grace.*

*We look forward to welcoming you to the Festival 150 programme, which offers a range of celebratory events throughout 2019.*

*Do join us.*
