

## What is the Music Foundation?

For 21 years the Music Foundation has supported excellence, beauty and innovation in the sacred music of St Peter's Cathedral and beyond. Established in 1994 the Music Foundation raises funds to:

- provide choral, organ and conducting scholarships
- purchase new choral and organ music
- contribute to the costs of long term provision and care for musical instruments (especially the organ)
- support the ongoing provision of sacred music, ancient and modern, in St Peter's Cathedral.

## St Peter's Cathedral: a vision for music in Adelaide

Many of the world's finest musicians have started their musical training singing in a cathedral choir. There are few areas where children are expected to - and do - perform as part of a team with adults. The Cathedral Choir is a working choir, leading worship every week. Choristers receive an exceptional musical education while also knowing the pleasure of contributing to the life and ministry of the Cathedral.

St Peter's Cathedral in Adelaide has a long and distinguished musical pedigree within both the Diocese and the City of Adelaide. We are committed to building on that fine heritage and becoming a major centre in Adelaide for the arts, music and spirituality. The Music Foundation has a major role to play in this endeavour and your support of the Foundation will greatly assist us in fulfilling the vision.

## Ongoing Music Foundation funding supports:

- Education of trebles and lay clerks through individual singing tuition and weekly choir tuition at rehearsals
- Organ and choral scholarships
- Professional development for the Director of Music and conducting scholars
- Regular purchase of new music, and replacement of well-used favourites in one of Adelaide's finest choral libraries
- Funding essential, but costly, repairs to the 1929 Hill, Norman & Beard organ
