Cathedral**

**Open Tuesday – Saturday, 11am – 3pm,
and Monday 11am – 1pm**

Welcome.

On one level it is an iconic building at the heart of Adelaide, residing on the traditional lands of the Kaurna people. But it's much more than this. St Peter's Cathedral strives to be a Christ-centred, sacramental, inclusive, thinking, mission-oriented, faith community. It is a place of vibrant and varied Anglican worship; communities and congregations with a wide variety of interests, and from many ethnicities and age-groups; a sacred space of prayer and meditation; an historic building of great beauty. It is a place for those of faith, and those of none.

Join us on the web, and then join us in person at one of the many worship services and other events on offer.
